

Monday Scramble League Rules

- Teams will consist of two players.
- Format will be a scramble.
- Handicaps will be computed at 80% of recorded league scores.
 - Handicaps will be calculated based on a rolling five week period with the highest and lowest scores being dropped from the calculation.
 - New teams will start out the year with no handicap and will have a handicap calculated for the first five weeks based upon recorded league scores.
 - If a team has a sub, that team will play the night without a handicap. They will have a calculated handicap based on that night's score.
- At least one league player from your team will have to play for the round to count. If playing by himself, a league player will only be allowed to play one ball each hole. Two subs for one team are not allowed for a single match.
- 12 points will be available each night. Each hole will be worth one point, and there will be three points allotted for net totals.
- Two teams will qualify from each half for the playoffs. If a team qualifies from both halves, a wildcard team will qualify based on the team with the most points for the year that did not qualify either half. Playoff seeding will be based upon points for the year.
- Players under 65 will play the white tees. Players 65-75 can play the gold. Players over 75 will have the option to play the red tees. You must play the same tee for the entire year.
- We will be playing winter rules all year. You may roll your ball no more than six inches closer to the hole anywhere on the golf course, except in hazards (which include bunkers).
- Water hazards on holes #2, #8, #10, #11, #12, and #13 are to be played as lateral hazards. Second ball can be dropped on the tee or between the point of entry and the tee, no nearer to the hole.
- Score cards are to be submitted to The Pines. They can be given to the Pro Shop attendant.
- If you are making up your match, it must be completed and your score card must be turned in by the following Sunday for your score to be counted.
- League fee of \$15/player will be due on the first night of league. \$540 cash will be paid out as follows:
 - 1st and 2nd Half First Place - \$90/team
 - 1st and 2nd half Second Place - \$60/team
 - 1st and 2nd Half Third Place - \$30/team
 - League Champions - \$120
 - League Runners-up - \$60
