

Thursday night Mens Info and Rules

Opening day is April 30th
League is \$30 per week for 20 weeks
Upfront payment is \$340 with \$13 cart fees due weekly. You may also pay the \$600 upfront or get a full membership for \$1500 that includes all leagues. The league dues for prize fund is \$50 dollars per team. I would like the dues on week 2 paid as a team if possible.

We have 20 teams this year so the season will be a 19 week true round robin with everybody playing 1 match against the other 19 teams. Week 20 will be a fun night with a scramble format.

The top 8 teams after week 19 will be the playoffs. Playoff matches will be played outside of the schedule. All ties will be broken by the head to head score from the regular season. Multiple way ties will be broken by total points taken in matches involving the teams that are tied. Playoffs will be Qf on front nine: Sf on back nine: finals 18 holes

Handicaps : Starting handicaps will be based on your average score for last years season. That score will be considered as a one week score and used with your first week score to get your 2nd week handicap and so on. We will still be using the 3 middle scores of your last 5 once we get past week 4. We will be using 90 percent off of par this year. Format will be the same; combined

handicap, total score, match play with 1 pt per hole and 3 pts for low combined net score.

Once again please try and play matches on night of league. A sub is preferred over making up matches on different days. If you absolutely can't play that night be proactive and contact opponent as early as possible. You have the Weeks BEFORE or the week after the scheduled Thursday to get the match in. The point of a Thursday league is to be able to play on Thursdays so make every effort please. If you can't play it will be considered a forfeit and team will receive 0 pts. The other team will blind draw and receive the greater of 7.5 or the blind match. There will not be any card matching this year. Be proactive . Everyone has access to the complete schedule so no reason to wait until last minute.

We will keep the OB option of advancing the ball but hitting your 4th shot from the fairway or reteeing and hitting your 3rd shot.

Also all 4 players must be at tee to throw a ball down.

1 st place (based on 20 teams)	\$200	
2nd	150	
3 rd -4th	100	
5 th -8 th	50	= 750
Fun night	\$250	=1000
